Who We Are...

The Junior Woman's Club of Southington welcomes women 18 and over from Southington and surrounding towns who are interested in promoting the civic, cultural, educational and social growth of the community. Our purpose is to promote educational and philanthropic community service. The club also provides members with the opportunity for personal enrichment, leadership experience and social interaction.

On June 22, 1965, The Junior Woman's Club of Southington was incorporated. Our club is a member of the Connecticut Junior Women (CJW), an organization that unites the 64 Junior Women's Clubs throughout the state.

Meetings

General meetings are scheduled for the second Thursday of the Month (September – June). If you are interested in becoming a member please join us at one of our monthly meetings at the Southington Library Meeting Room at 7 pm.
